## TOP 8 TILES TRENDS FOR 2021

Revitalize your space with the top tile trends of the year!

We have finally entered the much-awaited New Year 2021! This year our top words are hope, enthusiasm, and a renewed, revitalized start. The year 2021 will see lots of new trends in design & décor with unique patterns in tiles and fresh colors. It's time to upgrade your home and offices with these new tile trends in décor. We have highlighted the top 8 tile trends for 2021, which are unique, durable, and stylish. These top tile trends will have your floor and walls looking great. Especially in kitchens, bathrooms, and other water-prone areas. Get ready to see an emphasis on large wood-look planks, eye-catching patterns, shapes and designs, and lots of bright new looks.

### **Colorful Tiles**

Colors can never go wrong if chosen correctly. The year 2021, will see a lot of entry of bright, cool, and unique colors in your décor. Colorful tiles will make their way in the kitchen and bathroom walls or floors. Cool or bright colors can go well with everything.

## ARCHITECT ICON

## BELIEF IN BEAUTY

Luis Ramiro Barragan truly believed in the serenity of nature and its everlasting beauty.

Luis Ramiro Barragan, the world-renowned Mexican architect, and the engineer found it alarming that publications devoted to architecture seemed to have banished the words, "Beauty, Inspiration, Magic, Spellbound, Enchantment, as well as the concepts of Serenity, Silence, Intimacy, and Amazement." He apologized for perhaps not having done these concepts complete justice, but said "they have never ceased to be my guiding lights." He spoke of the art of seeing. He felt that "It is essential to an architect to know how to see—to see in such a way that vision is not overpowered by rational analysis."
