WHAT'S NEW

## TIMELESS SURFACES

Orvi blends creativity with craftsmanship, technology with tradition and their western aesthetics with artisanal techniques from Asia and beyond.

Orvi's mission is to create innovative and uniquely beautiful surfaces for all parts of the building envelope; both for interior and exterior applications. Their portfolio of collections presents a diverse menu of distinctive styles and concepts. Orvi creates shapes, patterns, finishes incorporating wood, timber, glass, ceramic and metal to the specific needs and requirements of their clients.

The inspiration behind Orvi is Sanjeev Agrawal, Chairman of Orvi surfaces. Mr Agrawal says, 'I have had the privilege of visiting some of the world's finest historical buildings, observing the magnificence of their architecture and admiring the craftsmanship that spans many hundreds of years.'

## HEALING SPACES

Vipul Joshi, founder of SUN, MOON, SOUL explains the Energy Interior Concept through the design of a 3BHK apartment.

Energy interior design is a new concept that believes in balancing the energies of a space to advance and improve the life of the dwellers. Every place exudes its own vibrations, energy interior design works on these vibrations and uses different interventions or additions to bring about the desired results. SUN, MOON, SOUL are a holistic healing centre at Vadodara, Gujarat, pioneering the Energy Interior design concept throughout the country. Vipul Joshi, the founder of SUN, MOON, SOUL feels that Energy Interior is the need of the hour.
