## HIGH DURABILITY

Stringent quality controls and state-of-the-art processing make the collection surfaces highly durable and resilient to external forces, weather conditions, and more.

## ECO-CONSCIOUS

Hindware ensures sustainable practices and the use of eco-conscious materials and processes in producing all its products, making them less environmentally harmful.

## FOOD GRADE & HYGIENIC

The surfaces are treated with non-toxic material and are made non-porous, making them safe for contact with food and less susceptible to germ harboring.

## NANO TECHNOLOGY

Hindware uses ceramic nano technology to produce its ceramics, making them less susceptible to inter-spacing and other malformations at the initial level.

Industry-leading attributes and a compromising attitude in producing Hindware products make them highly functional, resilient, and with features for an effortless lifestyle.

# AREAS OF APPLICATION

## ENDURING & RESISTANT KITCHEN SPACES

The non-porous, stain-resistant sizes are ideal for tiling nooks and corners of kitchen spaces. The surfaces of the collection allow you to craft enduring and highly resistant kitchen spaces, resisting heat, water, scratches, and much more.

## IMPERVIOUS & LASTING OUTDOOR SPACES

Weather conditions outdoors demand a lot from surfaces, and the surface of the Hindware Ceramic collection is designed to face all those effortlessly. The tiles resist heat, frost, water, sun, and heavy footfall more efficiently.

Craft exceedingly elegant and functional spaces with a wide range of tiles, sizes, and surface selection of the collection, facilitating a wide range of application possibilities.

## ELEGANT & IMPRESSIVE LIVING SPACES

The collection's design and color range facilitate the design of elegant and impressive living spaces and other spaces where you can reflect your style and personality.

## SAFE & SANITARY BATH SPACES

Crafting hygienic bath spaces is crucial, and the feature-rich tiles of the collection are impervious to water, moisture, chemicals, and more, offering you safe and sanitary bath spaces that do not harbor the growth of bacteria and germs.

## CERAMIC ELEVATION

The 300x600mm is available in a huge array of designs and colors, ideal for application on walls outdoors. The size is perfect for elevation, and the features are ideal for outdoor conditions.
