Instill the unparalleled glory of nature with closer to nature alternative for marble, and realise the manifestation of the better of tomorrow and the best of yesterday, come alive in your spaces!

# INTRODUCTION

## The Collection

Curated from the fragments of natural marble, embodied in our ecological tiles, it is reinventing the modern-day lifestyle. It captures the essence of the stone in its surfaces and delivers you a replication that is boundless, easy to maintain, with lessened breakage, and much more.

As an ode to nature, these architectural surfaces come with astral features that provide you with the freedom to personally style any space, whether interior or exterior. So whether you are planning a renovation or new construction, these classics are here to stay.

### Innovatively Designed

The exclusive collection imparts an elegant and timeless approach while providing an impressive and classic ambience to spaces.

### Premium Size

The superior elegance of the collection paired with grandness imparts it with seamless applicability and an endless effect.

### Improved Features

With a reduced need for maintenance, the surfaces offer lavish finishes to enhance the beauty of any applied area or space.

### Higher Durability

The massive size of the collection is made from high-quality raw material and exhibits a robust thickness, which makes it more strengthened.

## CORE TOUCHPOINTS

Developed keeping in mind the rise in demand for better alternatives to natural stone, Marbellous Collection introduced larger size, improved thickness, and body homogeneity, which gives a stellar appearance to any space.

### Colossal Format – Immense Possibilities

Discover superiority that facilitates ingenious decor opportunities, without unflattering grout lines.

### Better Density – Wider Applicability

With more sturdiness and a rustic approach, the tiles present extra strength for extensive use in both indoor and outdoor areas.

### Exceptional Colour – Wholesome Tiles

Meeting all decor needs with white, midgrey, and black homogenous tiles, make for a truly flawless tiling experience.
