ABOUT THE TECHNOLOGY

Discover the remarkable combination of traditional craftsmanship with the latest technology. We at Varmora strive for advancement in the ceramic world by infusing modern techniques and technology to craft impeccable and unique textures, designs, and layouts. The meticulously crafted tiles undergo a superior transition with the help of technology, showcasing versatile effects. Above all, vivid techniques are opted that add high aesthetic value to the tiles and through advanced machinery, the tiles are moulded and given a definite shape to blend with the decor style of spaces seamlessly.

STONE INSPIRATION

ELEVATION TILES combine style and substance, allowing you to redefine your surroundings with elegance. Explore a diverse collection of colours, textures, and patterns harmonising with architectural styles. Whether renovating your home or designing a commercial space, the elevation tiles provide endless opportunities to express individuality.

VARMORA Values given above are own valued, Which we tries to maintain, how ever test results may differ up to the limit prescribed under IS 15622 :2017 (GROUP B I a)
* Minimum 5 On matt tiles.

Note: Colour shown are as accurate as the limitations of the printing process will allow. Prospective customers are advised to inspect a sample of the tile before ordering. Our effort has been made to ensure the accuracy of the information given. However, the company reserves the right to change the specifications without prior notice. Sometime variations in shade or size being inherent to ceramic industry may occur. Before fixing, we advise you to follow the fixing instructions on the cartons (box) of the tiles. No responsibility will be accepted by the company once the tiles have been fixed.
